

Project Sketch:

Please indicate project location including rough land location, surrounding vegetation, waterways, buildings, and use of land.

Project Funding/Cost – Sharing/Incentives:

Landowner

1. *Will pay 30% of invoiced cost for backhoe and dozer (if required) for works completed.*
2. *Will prepare berm area with proper seedbed for seeding forage and seed area down as soon as soil conditions allow.*
3. *Seed will be supplied at no charge by the District.*
4. *Will make every reasonable attempt to control nuisance beaver from altering or damaging waterway.*

Conservation District

1. *Ensure all required permits and agreements are in place prior to project start.*
2. *Contribute all additional costs excluding the costs supplied by landowner.*
3. *Complete all required survey and engineering works.*
4. *Provide contractor, equipment and materials for project for District portion.*
5. *Supervise contractor as required.*
6. *Ensure proper and sufficient permanent forage establishment and complete any maintenance required for 2 years following construction.*
7. *District is not responsible for any alterations or damage caused by beaver activity.*

The Landowner Shall:

- **Allow consent of entry onto property for purposes of the project;**
- Provide access for inspection, evaluation, or further construction of the project by the Conservation District at any reasonable or future time;
- Not alter, change, remove or modify the project without written consent of the District;
- Ensure agricultural use and practices do not alter or effect the integrity of the project by ensuring that permanent forage in drain and buffer remain.
- Allow district to place signage at the project site for CD contribution to project; signage removal must be approved by Conservation District prior to removal;
- Indemnify and save harmless the District from any and all actions, claims, suits, damages, injuries, or other loss no matter howsoever arising as a result of the construction, operation or maintenance of the project, and;
- Grant the conservation district the right to use any information related to this project for educational or promotional purposes.
- Agree to cost sharing as per Appendix 1

The Conservation District Shall:

- Reserve the right to reasonable access to project areas for tours, educational purposes or to inspect the condition of the project site at any time following completion of the project.
